

# I Will Not Ever Never Eat a Tomato by Lauren Child

## Choice board

<p>1. What is your <b>favourite dish</b>? Write it down and give reasons.</p> <p>2. Share it with your neighbour!</p>	<p>1. Write down three sentences about what you would <b>NEVER EVER</b> eat.</p> <p>2. Talk to your neighbour and tell him or her why those foods seem so disgusting to you.</p>	<p>1. Lola says, "<b>carrots are for rabbits</b>". Can you think of other things which rabbits can eat? Write them down!</p> <p>2. What can you feed other animals for example a dog or a cat? Write down some ideas.</p>
<p>1. Imagine you were Charlie, and you need to cook dinner for Lola. <b>What would you cook for her?</b> Draw a picture of it!</p> <p>2. What would you tell her if she refuses to eat your meal? How would you convince her to eat it? Write down two sentences!</p>	<p>1. Find a product you like</p> <p>2. Give three reasons why you like it.</p> <p>3. Make a rhyme. Example: Cherries are delicious but I don't like any fishes!</p>	<p>1. Imagine you were Lola and <b>write a diary entry</b> in which she thinks about all the new foods which she tasted that day!</p> <p>2. Imagine you were Charlie and write a diary entry in which you think about how easy it was to convince Lola to eat tomatoes!</p>
<p>1. Write down <b>three vegetables</b> which are named in the book! (You can check your spelling afterwards with the help of the book).</p> <p>2. Can you think of two more vegetables? Write them also down!</p>	<p>1. What does Charlie <b>do to make his sister Lola eat food</b> that she thinks she doesn't like? Write down at least two sentences!</p> <p>2. <b>Draw a table</b> in which you list all the foods in the book and sort them into healthy and unhealthy foods.</p>	<p>1. Find a <b>new title</b> for the book! --&gt; Because in the end Lola eats a tomato.</p> <p>2. Write down some notes about what the author thought when she was giving this title to the book.</p>

## ISL Collective Video lesson

### Goose Chase

<https://gsch.se/game/ffb45a35209242fb9b1d86e068093556/co-manage/>

1) Find the healthiest food that is in your fridge **400 Points**

Go to your family fridge and take a picture of the healthiest food you can find.  
Don't worry if you find more than one food. Pick the one you like the most.

2) Find the unhealthiest food **400 Points**

Look for the unhealthiest food you can find in your home. If you don't find it, you can also look for it at the supermarket. Take a picture of it and upload it.

3) Search for food which is unknown to you **400 Points**

Search for food which is unknown to you. Take a picture of you trying it out.

4) #zero waste - find one ugly food **500 Points**

Find a product that no longer looks quite so fresh but can still be eaten. It can also be a fruit that has not grown straight. Take a picture of it!

5) Find a product with a Nutri-Score sign **600 Points**

Look for a product with a Nutri-Score sign on it and take a picture of it.  
You can find an example below.

6) Evaluate the food which you tried out **700 Points**

Evaluate the food you have never eaten before.

Give either 3 reasons why you liked it or 3 reasons why you did not like it.

Write them down.

## Creative Task

In the book, Charlie keeps inventing new names for the vegetables that Lola doesn't like.

### Now it's your turn!

Think of a dish or a fruit that could be something else.

**Step 1:** Draw a picture or take a photo of whatever you have chosen in the original.

**Step 2:** change it so that it can be called something else, like in the story. **Don't forget to name it!**

Example:

### 1. Green Smoothie

2. magical power drink, produced  
by happy unicorns
